WHAT ARE CORPORATE LOANS?

Corporate loans at the Fiji Development Bank are loans that exceed \$500,000 in principal.

WHAT DO FDB FINANCE FOR CORPORATES?

Financing is available for the setting up of a new venture or the acquisition/expansion of an existing business. At FDB we understand the risks associated with large venture projects and we work with you in managing those risks so as to ensure a successful outcome.

Corporate loans have been designed to cater for various types of investments that require a large capital outlay. All projects submitted are considered on a case by case basis. The following are sectors that FDB will give priority consideration:

- Building construction (warehouse, industrial complex, retail/wholesale complexes, investments in real estate -apartments, office building etc).
- Commercial loans
- Working capital, refinancing
- Freight transport
- Bus loans
- Tourism projects
- Shipping services
- Bill discounting
- Land subdivisions - industrial, commercial, residential and tourism
- Export finance
- Purchase of new vehicles,
- Plant and equipment
- Purchase of commercial and industrial buildings

WHY CHOOSE FDB?

We understand the market vagaries associated with the various sectors and make allowances for downtime or periods of low business when discussing the loan term. Over the last 40 years we have helped build some of the most successful enterprises who continue to be a force in Fiji's economy today.
