# FIJI DEVELOPMENT BANK

## INVITATION TO TENDER – FDB CORE BANKING TRANSFORMATION PROJECT

FDB is an autonomous statutory body that provides financing that contributes to the development of the Fijian economy leading to the enhancement of the quality of life for all Fijians. Since establishment in 1967, FDB has been an enabler that has facilitated and stimulated the promotion and development of natural resources, transportation and other industries and enterprises in Fiji as mandated. The Bank, in the discharge of its functions, is also mandated to give special consideration and priority to the economic development of the rural and agricultural sectors of the economy of Fiji. FDB is accredited by the Green Climate Fund as a Direct (National) Access Entity.

One of the key strategic objectives of FDB is to explore and acquire the most appropriate information technology tools to assist in the effective, efficient and viable operations of FDB in delivering its products and services to its customers.

To this effect, FDB is looking to partner and to work closely with a **Core Banking Software** solution provider that has the following credentials:

- Proven track record of successfully implementing and delivering end-to-end digital core banking transformation solutions;
- Must have sound accounting and financial qualification and knowledge to be able to communicate effectively with the FDB Finance Team in regard to General Ledger and subsidiary ledger integration/interfacing;
- The solution provider must have in-depth experience in performing end to end systems integration comprising of IT strategy formulation;
- Hands-on experience with business requirements gathering/analysis;
- Excellent project management skills to ensure project or non-project related deliverables are completed in a timely fashion, within scope and within budget, and
- Experience in systems design and development.

FDB invites sealed bids from reputable authorised Core Banking Solution providers for the supply, installation, implementation, support and maintenance of a complete end-to-end digital core banking solution.

The bids, prepared in accordance with the instructions in the RFP document, must reach the office of the undersigned on or before Friday 4<sup>th</sup> February 2022 at 3:00pm (Fiji Local Time) and placed in the tender box provided at Level 2. Late submission will not be accepted.
